

MONTANAROYAL

SPONSORSHIP FORM

THANK YOU FOR YOUR CONSIDERATION IN SPONSORING THE 2024 MONTANA ROYAL!

The Montana Royal is a rapidly growing 3-day cattle, hog, sheep, and goat jackpot show taking place July 19th-21st at the Northwest Montana Fairgrounds in Kalispell, Montana. We seek to provide a welcoming, competitive, and organized learning environment centered around the exhibition of livestock by youth hailing from Montana, Idaho, Washington, Oregon, Wyoming, Utah, Oklahoma, and beyond!

Youth in the livestock industry learn critical leadership, professional, animal husbandry, and other life skills. Raising and showing livestock facilitates the evolution of children into young adults, instilling in them a sense of responsibility for something other than themselves. Managing live animals requires individuals to gain knowledge and develop skills in nutrition, exercise, showmanship, sportsmanship, communication, marketing, and finances. The Montana Royal seeks to acknowledge this hard work and reward youth for their excellence. In order to achieve this goal, we need your help!

Outlined below are four levels of sponsorship that all go towards the development of youth that attend our show. If an amount that you desire to sponsor is not listed below, please indicate your sponsorship amount on the line provided. We are incredibly grateful for any amount you or your business is able to donate.

Please feel free to reach out with any questions. Thank you so much for your consideration in supporting hardworking youth that attend our show.
